COMPETITION RULES & REGULATIONS

Please refer to and read carefully the most updated **HHI Official Rules and Regulations Manual** before preparing for the competition. It is your best guide on how to succeed in this competition.

CHECK IN

Crew check-in for Regionals opens & starts at:

NSW - 12.00PM

VIC / ACT / QLD - 1.45PM

The time above is when your crew is expected to turn up to the event. Depending on the number of registered crews, there might be a minor change to this time. If so, the crew managers will be notified one week before competition date once all competing crews have registered.

Each crew has the option of having 2 crew managers (a crew manager and an assistant crew manager). They are the only ones permitted to represent each crew at check-in and will both get backstage passes to the event. They don't have a designated seat but they can watch the show. They need to submit their Working With Children Checks (ie. WWCC / Blue Card / etc) as part of the registration form.

The crew managers need to ensure that each crew member submit their (1) signed Performer Waiver Forms and (2) Proof of Identification, Age, & Nationality by the due date or they will not be allowed to compete and may jeopardize the whole crew.

The crew managers will be given the order of performance, all entry wristbands and any other necessary information at check-in.

PROOF OF IDENTIFICATION, AGE, & NATIONALITY

A Proof of Identification, Age, & Nationality is strictly required to compete. Each competitor needs to submit any one of these accepted forms of ID: (a) passport, (b) birth certificate, or (c) Australian driver's licence. Copies need to be very clear. If they are blurry, they will not be accepted. Make sure that each crew member's IDs matches their name entered on the registration forms. These need to be submitted via email by due date.

ORDER OF PERFORMANCE

Order of performance will be in random order. This will be available at the check-in desk upon arrival.

SCHEDULE

Below is a rough schedule of the Regional events. If there are any major changes to this schedule, crew managers will be notified one week before competition date once all competing crews have registered.

NSW Regionals

12.00PM – Crew check-in starts
1.00PM-1.25PM – Crew Briefing
1.35PM-5.00PM – Stage Runs
5.30PM – Doors open
6.00PM-9.45PM – Show time

VIC / ACT / QLD Regionals

1.45PM – Crew check-in starts
2.30PM-3.00PM – Crew Briefing
3.00PM-5.00PM – Stage Runs
5.30PM – Doors open
6.00PM-8.00PM – Show time

STAGE RUN

Crews need to be ready for their stage run and stand-by side stage 10 minutes before their time slot. Each MegaCrew & JV MegaCrew will have 6 minutes stage run while the other divisions will have 4 minutes per crew. Stage run is not compulsory. It is up to your crew to take advantage of it

JUDGING PANEL & RESULTS

The judging panel will consist of qualified judges as stated in the HHI Official Rules & Regulations. The confirmed judging panel will be released online a couple days before the competition.

Results and scores will be publicly posted as soon as possible on the HHI Australia social media pages for transparency.

STAGE

Performing area varies per venue but is at least 9 metres wide x 7 metres deep.

Please be reminded of the backstage crossover rule that affects the MegaCrew & JV MegaCrew divisions, where dancers are prohibited from crossing from stage left to right (and vice versa) behind the stage during their routine.

ICE PACKS

It is highly recommended for each crew to bring their own ice packs at the event in case your dancers need them. We cannot promise to supply ice packs for competitors.

NOVICE SECTION

HHI Australia is committed to build our Hip Hop dance community from grassroots which is the reason why we run a Novice Section. This will only be run at the Regional events. Novice crews will not advance to the National event. This is mainly to give novice dancers the opportunity to perform and understand the HHI competition, which will inspire them to excellence. You may also join this section if you do not intend or do not have the resources to compete at National or World level.

The same team composition, age brackets, rules, regulations and format will be followed.

The Novice section is presented at the beginning of each division ie. Junior Novice performs before the main Junior division, etc.

Judges' feedback and guidance will be equally available as much as they are available to the crews in the main section.

Trophies will be awarded to the best Novice crews out of the whole event, not per division. This is an exciting addition to ensure that we are always growing our community of dancers from novice to elite level. Entries to this section are very limited. First in, first served.

REGISTRATION FEE FOR REGIONALS

\$40 for competitors in one crew

\$35 per entry for competitors in multiple crews

(ie. If a competitor is competing in 2 crews, their fee is \$70)

\$15 per competitor for Novice Section

There is a limit on the number of crew registrations. Please complete your registrations as soon as possible to ensure your spot. Registration is completed once the registration form and registration fees are received.

Registration fees are strictly non-refundable but are transferable only in the same year if in any case of injury or any reason for substitution as long as it abides with the HHI Official Rules & Regulations.
